## London Aggregates - Ann Arbor Recycle Yard

Earlier this year we started a new operation located at 3660 Carpenter Road, in Ypsilanti Michigan across from Meijer. The site is ideally located to service both the Metro Detroit and the Ann Arbor area with easy access to US-23 and I-94. In a effort to better control our inventory as of December 1st we will be raising the price of our off loaded concrete to \$4.00 per yard. This price is subject to change. For sales information and customer service please contact Shawn Fetterly or Ryan Lumpford.
