## A Few Changes

Some changes have been made in our billing procedure. As you may have noticed with your recent billing cycle. The new invoices are a drastic change. Expect these to change for the better. Improvements are being made with each comment we get from our customers. We are currently working to get all of our operations consolidated. This will make several things possible. All of our bills will be in the same format. Each customer will be able to use the same account and account number at each of our locations. Questions regarding your account can now be answered out of our Milan office for any of our locations. We appreciate your patience and continued patronage through this growing period. Please contact us with any questions, comments, or concerns.

## New Remit to Address

Our remit to address has changed. Please send all payments from our Michigan operations to:

Stoneco  
P.O. Box 787  
Belleville, Michigan 48111

## Discount Sand & Stone

We decided now would be a good time to update our discount terms. Our old terms were \$.15 per ton if paid (received) within 15 days. Our new terms are \$.30 per ton if postmarked within 25 days. We feel these terms offer a greater incentive with more flexibility.
