## Safety First

In the wake of Hurricane Katrina we grieve for those that tragically lost their homes, loved ones, and lives. From this devastation we are reminded that bad weather can and does strike quickly and without warning. At all of our operations we have emergency plans in effect in case of flood, tornado, lightning, fire, etc... Those plans are available at all of our quarry offices. Should an emergency arise while at our operations we ask that our quarry office be contacted immediately regarding our emergency plan. By following this direction it will help to ensure the wellbeing of all those either working at or visiting our sites.

## Producer of the Year

Stoneco is proud to announce that we have been chosen for the Pit and Quarry "Producer of the Year" award. They headlined "By embracing technology, caring for its employees and reaching out to the community, Stoneco of Michigan has earned our top producer honors." The judging is based on Safety, Production Standards, Environmental Stewardship, Technology, and Community Relations. We would like to thank our customers and employees for making this award possible. A link to the article in Pit & Quarry can be found at our new website listed below under the awards and recognition page.

## [WWW.STONECO.NET](http://WWW.STONECO.NET)

WWW.STONECO.NET was designed to be a tool for our customers, neighbors, employees, and vendors. The site will be in constant evolution and is a fantastic source for information. Some of the things currently available on the site include a list of contacts, hours of our operations, a calendar of events, loads of product information, contact information for all the county road commissions in the state, and much, much more. As time goes on and technology advances we plan to make the site even better. Please take a moment to check the site out we know that you will not be disappointed. If you get the opportunity let us know what you think.

## Customer Service Contest

We are holding a customer service idea contest. Whoever comes up with the best idea or recommendation that we implement at one or all of our operations will receive 4 tickets to the Detroit Lions. The tickets will be for a 2005 game. Ideas can be sent, emailed, or phoned in to Susan Foote at our Denniston office. [sfoote@stoneco.net](mailto:sfoote@stoneco.net)

## Lunch at Ottawa Lake

We have a customer appreciation luncheon scheduled at the Ottawa Lake Quarry on Thursday October 13th from 11:00 am to 1:00 pm. Please come out and meet our personnel and enjoy a barbeque lunch with us.

## The Stoneco Golf Outing

Thanks to everyone who participated in our third annual Stoneco Golf Outing. It was an overwhelming success and has been touted by many in attendance as the best outing in the industry. The \$1000.00 Scholarship was awarded to Dean Vandeveld the Superintendent of our Newport Operation to be used by his daughter Jessica.
