Denniston - Maybee - Newport - Ottawa Lake - Zeeb - Moscow - Ida - Coldwater - Ann Arbor

November, 2005

## Safety First

Good sanitation and hygiene are important to everyone at Stoneco. Please help us maintain a clean and healthy environment at all our locations. We believe good housekeeping will promote positive morale among customers, vendors, and employees. Please remind drivers coming to our facilities that we have ample waste barrels available for trash disposal. We ask that when trash is being discarded it is put in its proper place. We take great pride in the appearance of our facilities, please help us keep them clean.

## Denniston Ohio #9's

There was a typo on the 2005/2006 price sheet for this material for Denniston. The sheet had the price listed as \$6.70 per ton. The actual price for the material is \$7.70 per ton. We will be holding the \$6.70 price through December 3rd.

## December Hours - Effective 11-28-05

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Maybee	6 am - 5 pm	6 am - 12 pm				
Ottawa Lake	6 am - 10 pm	6 am - 12 pm				
Denniston	7 am - 4:30 pm	7 am - 11:30 pm				
Newport	6:30 am - 5 pm	7am - 12 pm				
Ida	7 am - 4 pm	Closed				
Ann Arbor	7 am - 4 pm	Closed				

## Ring, Ring

We have changed our Stoneco MI Division office number to (734) 241-8966. All the Phone numbers that were associated with our Milan office have been experiencing technical difficulty and soon will no longer be available, please direct all inquires to the above listed number.

## Minimum Load Charge

As of the third of October we increased the minimum load charge at all our locations. The price was increased from a minimum charge of \$30.00 per load of material to \$50.00 per load of material. This fee is not applicable to customers who have an active Stoneco account. If you have any questions regarding this minimum charge please contact a Stoneco Sales Representative at your convenience.

## Quality Control

Agg Qc is the quality control software that is used to manage the quality of our materials both at Stoneco and our parent company Michigan Paving and Materials. With the Agg Qc quality control software we are constantly monitoring the quality and consistency of our materials. We keep up to date gradation reports, LA Abrasion, Absorption, Specific Gravity, Moisture Content, Unit Weight, and many more tests. For quality information regarding any of our projects please contact a Stoneco Sales Representative.
